

Renox Degreaser

Effective degreaser based on white spirit

General

Renox Degreaser is an effective degreaser based on white spirit and emulsifiers. **Renox Degreaser** forms an emulsion which separates a short time after application. Oil waste can easily be gathered by oil separator. Additives in the product are biodegradable. **Renox Degreaser** fulfils the demands of "The Swedish national environment protection board" according to biological decomposable.

Range of application

For cleaning of vehicles, engines, engine parts, lubrication workshop, greasing pit, reservoirs etc.

Instructions for use

Apply **Renox Degreaser** by brushing, dipping or spraying. Rinse with water after 5-15 min. It has low aromatic contents (14-15%), but be aware that all petroleum based products should be handled carefully.

Package

55000201 / 1-lit trigger spray (12 pieces per pack.)
55000265 / 5-lit can (3 pieces per pack.)
55000259 / 25-lit can
55000721 / 208-lit barrel

Technical data

Density:	790± 20 kg/m ³
Solvents:	< 0,1 % aromatic content
Storing time:	12 months
Storing temperature:	5 – 35° C
