

Noxudol Action 4 Spray

A perfect lubricant

General

Dissolves and prevents corrosion. Effective against damp distributor points. Lubricates, cleans and maintains electrical contacts. Lubricates in hard-to-reach places. Loosens hardstuck bolts.

Range of application

Noxudol Action 4 can be used for example as starting help and to thaw and oil frozen locks. It is a perfect lubricant for perambulators, bicycles, mopeds, toys, garden tools, butt hinge and electric contacts. The product causes no damage to lacs, plastics or gum. Only spray and wait a few minutes and most of the problems are solved!

Instructions for use

Shake before usage, hold spray can 30 cm from target.

In case of eye splashes rinse extensively with water for several minutes. Consult medical help in case of symptoms caused by inhaling or eye contact. Keep the aerosols cooled by means of water sprinkling. Danger of explosion if heated.

Remove the spillage with absorbing material. Remaining oil film can be washed off with detergents.
